Certification "Matters"

Did you know that Executive Chefs holding a Certified Executive Chef® (CEC®) certification have a total cash compensation package of \$13,250 more than Executive Chefs who don't? Come discover even more of the benefits and value of ACF certification along with additional data from the 2011 salary survey. Indicators support that certification truly matters and can help you get ahead. Also, certification matters such as improved processes and tools will be shared so that chapter leaders and candidates alike have the most recent and relevant information to address their chapter and professional goals.
